# LEARNING CENTER

**Convenience and benefits just got better at The Sports Club of Novi.**

In addition to providing award winning health, fitness and sports programs your membership gives you access to Educational Tutoring and Computer Services. While participating in the clubs amenities, your child can improve their skills in math, science, english, preparing for ACT/SAT exams or general school success. The computer services provide clean-up, rebuilding and operating system upgrades. **Call programming at 248.735.8850, ext. 3112 to schedule a tutor or computer session.**

## Educational Tutoring (all sessions are 50 minutes)

We help students improve in their grades, test scores and self-esteem. Our one-to-one attention enhances your child's ability to grasp the subject matter while building their confidence. Our tutors can satisfy each need and budget.
